

## **Employment Programs for People Living with or at Greater Vulnerability to HIV** (2021; U.S. and Canada)

NWPC's Employment Services Working Group includes representatives of diverse HIV-focused employment service providers from the agencies listed below. This list includes most, but likely not all HIV-focused employment service programs in the U.S. It reflects the limitations of available funding to launch and sustain these services.

### Alabama

- [AIDS Alabama](#), Birmingham
